

Singing/Acting Auditions: What To Expect

The Prince of Egypt is a contemporary musical. It is important that you prepare an audition song from the style of the show. Think 'pop/rock/Disney' musical theater.

What to Prepare

- 30 – 60 seconds (under 1 minute) of singing.
- Choose a selection from a contemporary musical. Please DO NOT sing a song from the show. Consider a song from the following shows:

Anastasia, Amazing Grace, Chaplin, The Lion King, Aladdin, Titanic, Beauty and the Beat, Jekyll & Hyde, The Pirate Queen, Dracula, Love Never Dies, Sunset Boulevard, Wonderland, Once on This Island, Phantom, Bat Boy, Beetlejuice, Waitress....

Singing/Acting AUDITION GUIDELINES

- Your audition song should demonstrate your singing ability **as well as your acting ability**. This will be your only opportunity to show off your acting chops during initial auditions.
- **Please bring sheet music or a pre-recorded accompaniment track for the audition.** Your sheet music or pre-recorded track should be in the correct key for your voice. A CD player and AUX cord will be available for you. Please no a cappella singing.
- **Additional Preparation** - Please be familiar with the music from the show! Listen to the 2020 soundtrack. If you are asked to attend callbacks, you will sing one or more selections from the show.
